

BOYD & JENERETTE

Boyd & Jenerette, P.A. was founded by Charles T. Boyd, Jr. and Noah H. Jenerette, Jr. in 1952. The Firm has since become one of the most well-respected and sought-after law firms.

What began with only two lawyers soon grew into a full service law firm with offices in five major cities and three states. Boyd & Jenerette has expanded its service beyond Jacksonville, opening offices in Fort Lauderdale, Savannah, Wilmington and Miami.

Throughout the Firm's history, Boyd & Jenerette's outstanding service has been recognized by several organizations. The Firm has been featured in the Best Law Firm list by U.S. News & World Report and was recently named the 4th largest firm in Jacksonville by the Jacksonville Business Journal Book of Lists. The publication also named Boyd & Jenerette one of the Fastest-Growing Companies for the second consecutive year.

The Firm prides itself in hiring the best attorneys possible. Both the Firm as a whole and its attorneys are AV rated by Martindale Hubbell. Other attorney accomplishments include being named Rising Stars and Super Lawyers by Florida Super Lawyers magazine, selected as Florida's "Legal Elite" by Florida Trend magazine and named on "Top Lawyers of 2010" by Jacksonville Magazine and "40 under 40" by the Jacksonville Business Journal. We have attorneys named as the Best Lawyers in America by U.S. News & World Report's Best Lawyers. The Firm is proud to have a past president of the Florida chapter of the American Board of Trial Advocates and former Partners as members of the Judiciary. We have been recognized as leaders in business and our practice areas by the national press.

The Firm engages the diversity of business and a number of our attorneys are bi-lingual and bi-cultural in English and Spanish. We also have attorneys fluent in Portuguese and Mandarin Chinese. These language skills allow our attorneys to fully understand the needs of international clients with respect to their interests in the United States as well as the needs of domestic clients with respect to their interests abroad. These attorneys have extensive experience with the cultures, business practices and legal systems of Europe, East Asia, Latin America and the Caribbean.

Our attorneys are active members of The Florida Bar and the Hispanic Bar Association, serving on several committees and in leadership positions. In addition, they hold a number of professional and civic leadership positions within their communities, including presidencies of the Jacksonville Association of Defense Counsel and the Jacksonville Chapter of the American Board of Trial Advocates, Chairman of the Board of Governor's Workers' Compensation Joint Underwriting Association, Board Certification Committees, Palm Beach County Bar Special Needs of Children, Palm Beach County School Board, West Boca Community Council, Broward County Consumer Protection Board, Miami-Dade Sports Commission and the Council on Litigation Management.
